# DRAUGHT PORTFOLIO AND POSTMIX

# ASAHI SUPER DRY

Through an innovation in Japanese brewing techniques, Asahi Super Dry has a delicate, yet rich, full-flavoured body with a refreshing dry aftertaste. Asahi Super Dry is brewed using the best quality ingredients – yeast, malt, hops, maize & rice.

At the 2014 World Beer Cup, one of the most prestigious beer competitions in the world, Asahi Super Dry took out the Gold Award for the International-Style Lager category, beating 89 other entries.

A premium beer that commands a premium price. Asahi Super Dry delivers high margins to customers and is seen by patrons as a sign of a quality venue.

## AVAILABLE IN:

# ASAHI SUPER DRY

Asahi Super Dry is the #1 Asian beer brand in Australia.\*

Since its debut in Japan in 1987 as the first "Karakuchi" (dry) beer, Asahi Super Dry set a new standard in Japanese brewing.

Over the years Asahi Super Dry has continued to expand its popularity while offering refreshing good taste and drinking pleasure.

With consumers' preferences in mind, Asahi Super Dry is designed to go perfectly with any meal while maintaining its refreshing quality. It's no wonder it's the preferred premium Japanese beer for consumers in Australia.

# WOODSTOCK BOURBON

Woodstock Bourbon is distilled at Heaven Hills distillery, which was founded by the Shapira family, shortly after Prohibition ended in Bardstown, Kentucky, USA, to produce and market Bourbon and premium American Whiskys.

At the time, it was as speculative a new business venture as the dot com start-ups of the 1990's — a company founded with no brands, no available stocks of Whisky, and at the height of the Great Depression. Today, the company is the largest independent, family-owned and operated producer and marketer of distilled spirits in the United States.

## AVAILABLE IN:

# NIKKA WHISKY

The story of Nikka Whisky begins with Masataka Taketsuru. Born in 1894 to a family of saké producers, Taketsuru travelled to Scotland early in his career to master the mysterious arts of blending and distilling, but it would take years of determination before he would go on to craft Japan's first Whisky. Taketsuru would spend the rest of his life dedicated to honouring the development of Whisky in Japan, eventually forming Nikka Whisky, and becoming known forever more as 'the Father of Japanese Whisky'.

# SPRING VALLEY JUICE

Spring Valley Beverages are more than just juice enthusiasts, they're crazy about the stuff.

It all started back in 1957, when a ban on bottled milk products got Leopold Epstein's creative juices flowing. He put factories of unused glass bottles to use by starting Spring Valley. It was an instant success then, and is still one of Australia's most loved fruit juice brands today.

We only use the best fruit so it always tastes real fine - and it's a good source of Vitamin C. As well as their great range of juices, Spring Valley are always looking for new and different ways for people to enjoy juice.
